Why Crypto Liveon?

In a world full of financial opportunities, many still fall prey to misinformation, fear, and scams.

Crypto Liveon was founded with a single purpose: to build a financially aware, confident, and scam-resistant India.

We help people truly understand how money works and how it can work for them by simplifying the complexities of stock markets and crypto currencies into clear, useful insights.

At Crypto Liveon, we believe financial freedom starts with the right education.

A Financially Educated India by 2030

We see a country where everyone understands how to create, grow, and protect their wealth, and where financial literacy is as widespread as basic literacy

By 2030, we aim to nurture a generation that:

- Understands crypto and stock markets with clarity
- Makes informed and safe investment decisions
- Manages money with discipline and confidence
- Contributes to a scam-free, financially strong india

Crypto Liveon stands for **Knowledge, Awareness, and empowerment**

OUR
VISION

To Teach. To Empower. To Protect

We are committed to making financial education **Simple, Practical, and Accessible** to everyone

We achieve this by:

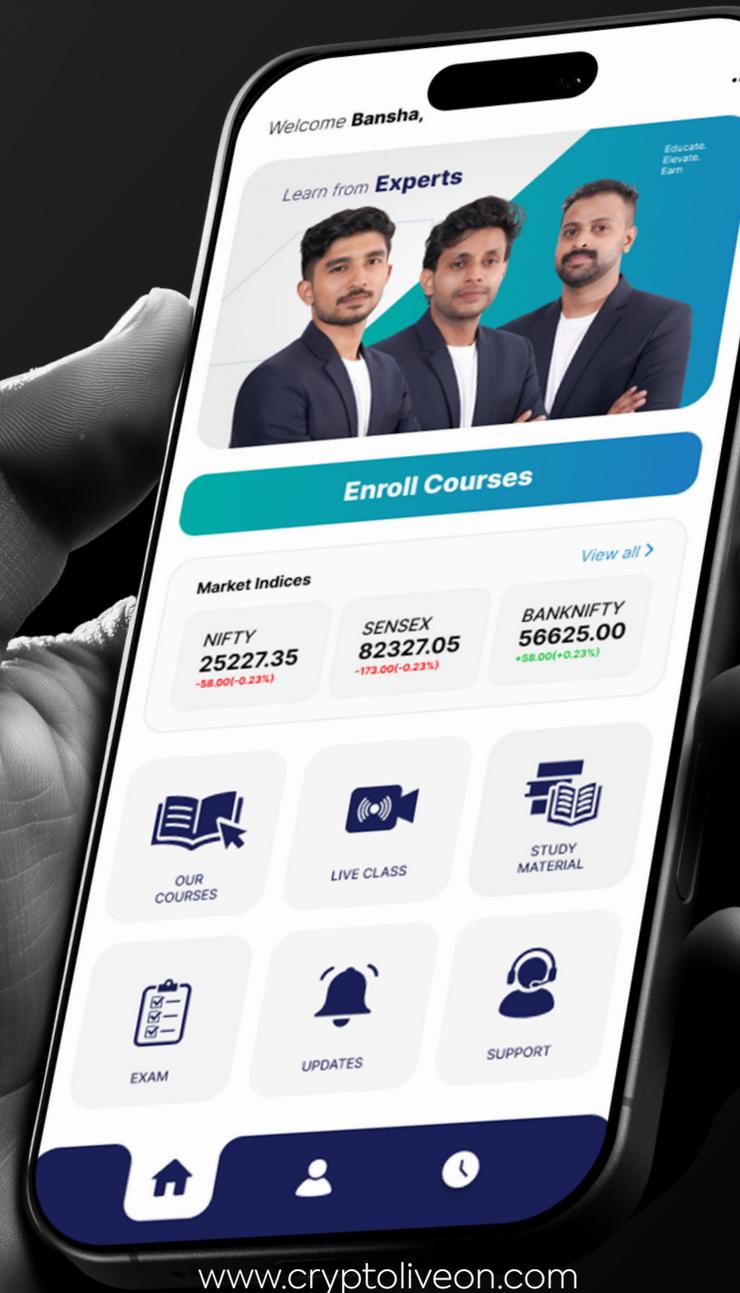

- Teaching Crypto and Stock markets in clear, easy to understand formats
- Helping people identify scams and protect their hard earned money
- Offering both online and offline learning through the Crypto Liveon App and our Institution
- Bulding a community of informed, honest, and confident investors
- Making financial literacy available to all, regardless of background

People who learn become leaders, and leaders inspire others.
